Dear Mr. Calfa:

I wanted to drop you a note and thank you for introducing my household to the *Carico* air purifier. This has been a bad summer for pollen, dust and invisible air pollutants. One of my children was experiencing some terrible asthma symptoms. Since we put the purifier in our home, we have noticed a positive difference in his breathing. My wife and I both believe we are breathing cleaner air in our home.

Thank you very much.

Sincerely,
